

# CDRAKE

## WHAT.

The Canadian Dementia Resource and Knowledge Exchange (CDRAKE) is a free, virtual network that brings together the best and brightest in dementia care to:

- o Support the learning needs of people seeking practice change
- o Facilitate quick and easy access to the best knowledge for continuous quality improvement
- o Stimulate, support and share innovations
- o Build and strengthen collaborative partnerships between stakeholders
- o Foster direct links between knowledge users and producers

## WHY.

As a member of CDRAKE you will be:

- o **Connected** to upcoming online or in-person opportunities for knowledge exchange, innovations in dementia care and links to stakeholders
- o **Invited** to join topic-specific national Communities of Practice where you can connect with people who share a common passion
- o **Offered** ways to showcase your leadership and advancements related to dementia care
- o **Networked** with thousands of other knowledgeable care providers, researcher, educators and policy makers working in the field of dementia care

## HOW.

To get connected with dementia innovation across Canada, sign-up at:
